Module 2: Key points

In this module, we covered the various key information that all employees and organizations must be aware:

- The definition of sexual harassment in the workplace and the importance of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 or POSH Act.
- While the POSH Act specifically safeguards working women in India, your company's policies may be gender-neutral, recognizing complainants or alleged perpetrators of sexual harassment as anyone, irrespective of gender identity or sexual orientation.
- The importance of understanding sexual harassment and its effects on both individuals and organizations.
- Sexual harassment in a workplace can happen in any location or situation related to employee duties.
